

CASTLE COVE SCHOOL BAND TUTOR LIST 2017

The following list of tutors has been divided into two groups. Group 1 are those tutors who conduct their lessons at school. They liaise with the Band Master in relation to music pieces and the student's progress. We recommend that you try to organise lessons with these tutors first. If they are fully booked, the tutors in Group 2 are also available; most live locally and usually conduct their lessons from home. New training band members can contact the tutors once they have been assigned their instruments. *Please note some classrooms may change depending on other after school activities. If this is the case your tutor will let you know.*

CCPS Band Tutor List – Group 1
