

## Band Report Feb 2018

We have 102 kids enrolled in band this year, not sure if this is up or down from last year?

42 in Training band - Year 3 and 4xYear 4

60 in Concert band - Year 4, 5 and 6

Band Captains elected at last weeks rehearsal are **Luc Le Moenic** and **Lauren Dandy**.

Instruments handed out on Tuesday 6th February. Introduced a new Instrument hire form and Instrument Checklist for tutors to check and sign that the instrument is in working order.

We have also introduced a new Band Commitment form, which includes a commitment from the student and what we expect in terms of behaviour in band. We have also tried to put 2 parents on band supervision at least for the first term to help with behaviour in band. We have forwarded this form to Ashleigh Ruppin (teacher liaison)

We plan to have all band documents ready to be uploaded onto the P&C Band website soon

New conductor for the Concert Band is Maddy Shearer.

Gerald Steinmann continues to be the conductor for the Training Band

Gerald will also be conducting the Stage Band. Stage Band has not been set up yet.

We have moved from the shell to the NEW BAND ROOM - Connector classroom. We have not moved everything over to the new space. Thank you to Jeanette Cope for letting band use this space and her continued support of the program.
